

For one whose spouse has died

Lord, you promise us that if we come
to you when we are burdened you
will refresh us;

I come to you with my burden of
grief, loneliness and emptiness since
the death of my husband/ wife

.....
May the memory of our life together
bring solace, healing and peace in my
day-to day living.

Comfort me and may I be blessed as I
share memories with those who love
and understand me.

Amen
