

Death of a sibling

Lord God, you gifted our family with
the life of my.

(name your brother or sister).

Our lives were changed by his/her
death. Your heart goes out to each of
us in our grief.

You are near, you are here. You see
sadness as we mourn, as we consider
the empty place.

Please fill the emptiness in our hearts
with your presence and your touch.

We shall remember our deceased
loved one.

Amen.
